

BUSINESS COMPOST GUIDE

Your customers care about where their food comes from. They also care about where it goes. The industry average for restaurant food waste is 0.5lbs/plate. When you become part of the Table to Farm Compost network, you can reduce that waste entirely.

BENEFITS

- Be a zero-food-waste business!
- Promotion on TFC's social media
- Free TFC window decal
- Potentially reduced garbage collection fees!

HOW IT WORKS

1. Determine which plan is right for your business, we can help! Call us for a consultation today.
2. You will receive 10-gal food scrap collection bins with compostable liners. Liners are replaced at pick up.
3. We will collect your food scraps 1-3 times per week.
